FinMin: Work on for $5-trn economy 'at an early date'

PRESS TRUST OF INDIA
New Delhi, 14 March

The government on Tuesday informed the Rajya Sabha that it was taking steps to make India a $5-trillion economy earlier than the International Monetary Fund's (IMF) forecast year of 2026-27.

The IMF's World Economic Outlook earlier said the size of the Indian economy will increase from $3.2 trillion in 2021-22 to $3.5 trillion in 2022-23 and cross $5 trillion in 2026-27.

"The government has been taking steps to make the country a $5-trillion economy at an early date," Minister of State for Finance Pankaj Chaudhary said to the Upper House. The Covid-19 pandemic in 2020 and the Russia-Ukraine conflict in 2022 impacted the world output, increased inflation in several countries and raised uncertainty in the world economy, he said, "lower uncertainty in the global economic outlook will help India become a $5-trillion economy earlier".

Some of the measures taken in the past to boost economic growth include the making of the National infrastructure pipeline of projects, push to capital expenditure, implementation of the production-linked incentive scheme, finalisation of the National Monetisation Pipeline of public sector assets and, formulation of National Logistics policy, he said.

63 police stations don't have a vehicle, 285 without mobile phones: Govt

As many as 63 police stations in the country do not have any vehicle, 628 police stations do not have telephone connection, and 285 stations don't have a wireless set or mobile phone, the Lok Sabha was informed on Tuesday.

No proposal under consideration for creation of any new state: Minister

There is no proposal under the Union government's consideration for creation of any new state.

Union Minister of State for Home Nityanand Rai said this while replying on whether the government has received any proposal for the constitution of Bundelkhand state.

Houses adjourned again over Rahul's remarks, Adani issue

ADITI PHADNIS
New Delhi, 14 March

The demand for a Joint Parliamentary Committee (JPC) probe into the Adani-Hindenburg issue and Congress leader Rahul Gandhi's remarks in the UK criticising the government continued to cause an impasse in Parliament with proceedings of both the Houses getting adjourned after transacting minimal business on Tuesday.

All the Opposition parties have joined the protest. Though the TMC did not attend the meeting of 16 party leaders called by Congress chief Mallikarjun Kharge, its MPs staged a protest in front of the Gandhi statue in Parliament complex, asking the government to stop "protecting" the Adani group.

BUDGET SESSION
IN THE HOUSE

The AAP, DMK, JDU, SP, and Shiv Sena (Uddhav) joined the meeting deciding to raise the Adani matter in the House.

Rahul Gandhi kept up the pressure and launched a video (paid and unpaid) asking: "Is the objective of India's foreign policy to make Adani richer? In the last nine years, Modi ji has kept India in 'bhram (confusion)' and Adani in 'vishwa bhraman (global travel)' along with him," Gandhi alleged in the video.

Asked about Congress' allegations, Union Minister Giriraj Singh said outside Parliament: "Adani had made it clear that the first break was given to him was given by (Congress CM) Chimanbhai Patel...the second break was given by Rajiv Gandhi. (They believe that) if Adani does development for the country then it should be only under their rule not in any other rule."

While Prime Minister Narendra Modi met some ministers, Congress Parliamentary Party Chairperson Sonia Gandhi held consultations with senior leaders at the party office to discuss the strategy in the wake of the government's attack on Rahul Gandhi. Several Congress leaders had given adjournment notices in both the Houses for discussing the Adani issue, but these were rejected by the Chairman and the Speaker.

There was no word on the ruling by the Rajya Sabha chairman on expunging references to an unnamed Congress leader by Leader of the Upper House Piyush Goyal earlier in the week, as he referred to remarks made by this leader in the UK that criticised the state of democracy in India.

UTTAR PRADESH

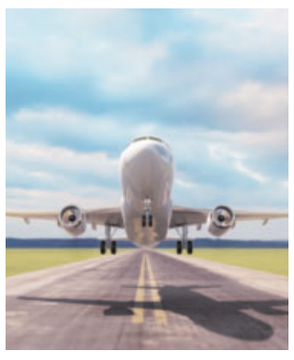

17 airstrips cleared for private investments

VIRENDRA SINGH RAWAT
Lucknow, 14 March

Giving a major boost to the state civil aviation sector, the Uttar Pradesh government has thrown open 17 airports and airstrips for private sector investment.

Under the blueprint, these airstrips along with hangars could now be used by the private companies to operate aviation training institutes, aero sports centres, aviation MRO (maintenance repair and overhaul) facilities, etc.

The airstrips are located in Aligarh, Etawah, Kanpur Dehat, Farrukhabad, Shravasti, Azamgarh, Ambedkar Nagar, Sultanpur, Ghazipur, Kheri, Chitrakoot, Sonbhadra, Jhansi, Lalitpur, Meerut, Moradabad, and Ayodhya districts. The state Cabinet meeting chaired by Chief Minister Yogi Adityanath recently ratified a proposal to this effect.

The fresh policy mandates usage of a minimum 1,000 sq mt and 200 sq mt of area for setting up of aviation training institutes (flight training organisation) and MRO units, respectively. Similarly, 50 sq mt of area would be allocated on a temporary basis for conducting the aero sports activities by private parties.

"If additional land is required, the same would be provided depending upon the available land bank and the prevailing land lease rental on a case-to-case basis by the civil aviation department," a senior UP government official said.

Meanwhile, the UP government is bullish on the aviation sector after tourist inflow surged by 27 per cent in the past five years. During this period, the state witnessed the arrival of nearly 1.25 billion domestic and 12.5 million foreign backpackers.

In this context, both business and leisure air travel is expected to give a fillip to the socioeconomic landscape by attracting investment, ramping up vital infra and creating jobs.

While UP already has three international airports in Lucknow, Varanasi, and Kushinagar, two more international airports are under construction in Ayodhya and Jewar (Noida). As such, UP would become the first state in India to boast of five international airports.

CHHATTISGARH

SECL joins 150-mt coal production club in FY23

R KRISHNA DAS
Raipur, 14 March

South Eastern Coalfields (SECL) has become the second state-run Coal India (CIL) company to reach the milestone of producing more than 150 million tonnes (mt) of coal in the current financial year (FY).

Sambalpur-based Mahanadi Coalfields (MCL) was the first CIL entity to join the club this FY.

According to a company spokesperson, SECL crossed the mark last week. This was the fourth time that the Chhattisgarh-based CIL entity had crossed the 150-mt figure since inception. SECL had been CIL's highest coal-producing company till 2021-22, when MCL recorded 168.2 mt of coal production to top the chart. SECL could produce 148 mt of coal last year.

In the past three years, SECL's coal production has decreased. After Prem Sagar Mishra took over as the chairman and managing director of SECL in February 2022, the company re-designed the business strategy and focused on the production. "The efforts are paying off and the company is regaining its lost position fast," a senior company official said.

According to an SECL spokesperson, of the 150 mt of coal produced in FY23, about 130 mt have been dispatched to power plants, which is about 10 mt more compared to the same period last year.

Though SECL has started showing an upward trend in the production and performance, it will have to struggle hard to retain the position it had held till two years ago.

The MCL has already surpassed its coal production target of 176 MT set for the financial year 2022-23, registering growth of over 15 per cent.

RAJASTHAN

Film city in Jaipur on cards

ANIL SHARMA
Jaipur, 14 March

Considering that shooting for films and advertisements takes place on a large scale in Rajasthan, the state government plans to establish a film city with private participation.

This is not the first time the state government is venturing into this area. Earlier it had tried to attract investors to set up a film city in Jaipur, but the response was poor.

The state's film potential came into international limelight when Satyajit Ray shot a large part of *Sonar Kella* (The Golden Fortress) in Rajasthan. Many Bollywood and Hollywood movies have been shot in the state.

"This time we are going all out to attract investment, for which we will offer a customised package under the Rajasthan Investment Promotion Scheme (RIPS), 2019, to the project promoter, and we hope for a positive response," a senior state government official said.

A package of incentives (exemptions and subsidies) is available for investors under RIPS 2019. It includes an investment subsidy, employment generation subsidy, electricity exemption for seven years, land tax exemption for seven years, stamp duty exemption, among other things. Provision for a custom-built package of incentives for investments over ₹100 crore and providing direct employment to more than 200 persons are also being provided.

Moreover, the official said the state government was ready to offer a customised package to the prospective promoter for setting up a film city.

He added a film tourism cell would be set up so that all approvals were made available within 15 days of application. All district-level clearances will be facilitated by this cell.

The government has decided to offer an exemption from all fees and charges for film shooting at monuments in its control.

"We plan to provide up to a 15 per cent upfront subsidy of the production cost of any film shot in Rajasthan. A scheme for this is being worked upon," he added.

Besides, the state government plans to coordinate with the Centre to open a branch of the Film and Television Institute in Rajasthan.

E-AUCTION SALE NOTICE FOR SALE OF ASSETS OF HVR PROJECTS PRIVATE LIMITED IN LIQUIDATION
(A company under liquidation process vide Hon'ble NCLT Kolkata order dated 4th January 2022)
Regd. Office of the company: 103/20, Foreshore Road,
